Nepal Agricultural Research Council

Dr. Suresh Adhikari, Director General

Nepal Agricultural Research Council

Nepal Agricultural Research Council (NARC) is a government agency responsible for conducting agricultural research in Nepal. It is one of the leading research institutions in the country, contributing to the development of agricultural knowledge and technology.

Dr. Suresh Adhikari, the Director General of NARC, is recognized for his contributions to the advancement of agricultural research. His leadership has helped in strengthening the research capabilities of the council, leading to significant improvements in agricultural production and sustainability.

NARC conducts research in various fields such as crop production, livestock, and natural resource management. It collaborates with international organizations and universities to share knowledge and resources, enhancing the global agricultural research community.

NARC's research efforts have led to the development of new crop varieties, improved farming practices, and strategies for sustainable agriculture. These contributions are crucial in addressing challenges such as climate change and food security.

The council continues to invest in research and innovation, aiming to improve agricultural productivity, enhance livelihoods, and ensure food security for the growing population of Nepal.

---

**Teaching - Learning**

NARC focuses on teaching and learning through various programs and workshops, providing opportunities for professional development and skill enhancement. These initiatives are aimed at improving the capacity of agricultural professionals in Nepal and beyond.

---

**Research**

NARC conducts research across multiple disciplines, including agriculture, horticulture, and associated fields. The council works closely with national and international partners to advance knowledge and implement practical solutions.

---

**National Centre For Cooperative Education - NCCE, India-NCUI**

The National Centre For Cooperative Education - NCCE, India-NCUI, collaborates with NARC to foster cooperation and exchange knowledge. This partnership aims to enhance the capacity of agricultural institutions and promote sustainable practices.

---

**Teaching - Learning**

NARC offers various teaching and learning programs to support the development of agricultural professionals. These programs are designed to enhance practical skills and theoretical knowledge, ensuring a well-rounded education.

---

**Research**

NARC's research activities are centered around improving agricultural productivity and sustainability. The council conducts studies on crop development, livestock management, and natural resource conservation, contributing to the advancement of the agricultural sector.

---

**National Centre For Cooperative Education - NCCE, India-NCUI**

The National Centre For Cooperative Education - NCCE, India-NCUI, collaborates with NARC to support the professional development of agricultural educators. This partnership facilitates knowledge exchange and helps in the improvement of teaching methodologies.

---

**Teaching - Learning**

NARC's teaching and learning initiatives are designed to equip professionals with the necessary skills and knowledge to address contemporary agricultural challenges. These programs are instrumental in enhancing the capabilities of the workforce.

---

**Research**

NARC's research efforts are pivotal in advancing agricultural science. The council's research activities are guided by the need to enhance productivity, sustainability, and environmental stewardship.

---

**National Centre For Cooperative Education - NCCE, India-NCUI**

The National Centre For Cooperative Education - NCCE, India-NCUI, works in tandem with NARC to support the professional growth of agricultural educators. This partnership is essential in fostering the development of innovative teaching strategies and approaches.

---

**Teaching - Learning**

NARC's teaching and learning programs are essential in equipping professionals with the skills required for the modern agricultural sector. These programs are tailored to meet the evolving needs of the industry, ensuring a competent and skilled workforce.

---

**Research**

NARC's research initiatives are crucial in addressing the complex issues facing the agricultural sector. The council conducts comprehensive studies to develop solutions for improved crop yields, sustainable practices, and economic viability.

---

**National Centre For Cooperative Education - NCCE, India-NCUI**

The National Centre For Cooperative Education - NCCE, India-NCUI, supports NARC in enhancing the teaching and learning capabilities of professionals. This collaboration is vital in ensuring the dissemination of advanced knowledge and skills in the agricultural sector.

Post Graduate Department of Economics organised the Annual "H.M. Patel Memorial Elocution Competition" on July 28, 2010. The topic for the debate was "Implications of Caste Based Census Survey in India" which is related to the broad areas of interest of Shri H.M. Patel, the late illustrious Chairman of Charutar Vidya Mandal.

Fifteen students from different affiliated colleges and Post Graduate Departments of Sardar Patel University participated in the event.

Dr. Hitesh Patel from the Department of Sociology, Dr. Pinakini Pandya from the Department of Gujarati and Shri D. P. Raykundaliya from the Department of Statistics were the judges for the event. The First prize was secured by Manish Kumar Pandey from P. G. Department of Mathematics, while the Second prize was bagged by Ravi Makadia, a student of the Pramukh Swami Medical College, Karamsad. The Third prize was secured by Hiral Sanghavi, from Natubhai V. Patel College of Pure and Applied Sciences, Vallabh Vidyanagar.

At the end, Dr Hitesh Patel summed up by presenting his views on the implications of caste based census survey and called for a casteless society, where economic status should be the only basis for planning and implementation of government programmes and policies. The winners were awarded prizes by the esteemed judges. Finally, Dr Sonal Bhatt, who was the co-ordinator and compere of the event, proposed a vote of thanks.

Forthcoming Event

Schedule of Orientation Programmes and Refresher Courses for the year 2010-11

Academic Staff College is going to conduct 4 Orientation Programmes, 13 Refresher Courses and 4 Short Term Courses for the Academic year 2010-11. The details regarding dates and courses are mentioned below.

Orientation Programme (4 Weeks)
1. 2-8-10 to 29-8-10 4th Orientation Programme
2. 6-12-10 to 9-1-11 5th Orientation Programme

Refresher Courses (3 Weeks)
1. 28-6-10 to 18-7-10 Education & Physical Education
2. 2-08-10 to 22-8-10 Chemistry
3. 6-9-10 to 26-9-10 Library Sciences
4. 6-9-10 to 26-9-10 Comparative Literature (ID)
5. 4-10-10 to 24-10-10 Research Methodology in Humanities (ID)
6. 15-11-10 to 5-12-10 ICT Application (MD)
7. 15-11-10 to 5-12-10 Computer Science
8. 6-12-10 to 26-12-10 Business Studies (MD)
9. 6-12-10 to 26-12-10 Nano Sciences (MD)
10. 3-1-11 to 23-1-11 Research Methodology in Basic & Natural Sciences (MD)
11. 7-2-11 to 27-2-11 Women Studies (MD)
12. 7-2-11 to 27-2-11 Mathematics and Statistics
13. 28-2-11 to 20-3-11 Performing and Visual Arts (ID)

Short Term Courses (3 Days)
1. 24-6-10 to 26-6-10 A Course on Minor Research Project
2. 21-7-10 to 23-7-10 A Course for University Employees
3. 30-8-10 to 1-9-10 Interactive Workshop for Ph.D. Students
4. 1-11-10 to 3-11-10 A Course in Manuscriptology

Note:
0 For more information and application form, kindly visit our website www.spuvvn.edu/asc
0 Last date of application for all courses will be 15 days before the commencement of the course.
0 Application form must have;
0 Signature of your principal along with college stamp and college seal.
0 Recent Passport size Photograph
0 DD of Rs. 500/- in favor of 'Director, Academic Staff College' payable at Vallabhb Vidyannagar.
0 Invitation will be sent to the eligible candidates before 7 days of commencement of the course.
The inaugural function of SPUBS was organized on 6th August 2010 to start the 50th year of Sardar Patel University Biological Society (SPUBS) by receiving blessings and good wishes from Dr. S. K. Nanda, Principal Secretary, Ministry of Environment and Forest (Chief Guest), Dr. Harish Padh, Vice-Chancellor, SPU and Dr. J. J. Shah, Former Professor and Head, Dept. of Biosciences, SPU (Guest of Honour). The programme commenced with a melodious prayer presented by the students of Masters degree and the guests were welcomed by offering sapplings of Zamioculeas zamiifolia. All the dignitaries and the senior members of SPUBS then performed the traditional lightening of the lamp. Prof. K. S. Rao, in his presidential address, welcomed and expressed his gratitude to the Chief Guest for gracing the function and also appraised the gathering of scholastic stature, vast experience and professional capacity of Dr. Harish Padh and Dr. J. J. Shah. A self introduction to SPUBS was delivered by the Women representative for the year Mrs. Sunitha Christopher, highlighting its activities and significance. All the dignitaries were then called upon for the release of the first issue of "Bioscience Express". Dr. Harish Padh (present Vice-Chancellor), Mr. Harshvardhan Chauhan (SSC State Topper) and Resheshbhai (Second Topper of State level CCC Examination) were felicitated to their achievements. The Chief Guest was then invited to express his views on the occasion. In his speech, he expressed his pleasure on the wonderful occasion and appreciated SPUBS and its activities over the past 50 years to bring the hidden talents of the students on its platform. He also emphasized on the teamwork practice which always yields good results. General Secretary for the year delivered the vote of thanks and invited the dignitaries for plantation followed by dinner.
