Our Inspiration

"We have to shed mutual bickerings, shed the difference of being high or low and develop the sense of equality...."

Sardar Vallabhbhai Patel
31 Oct. 1875 - 15 Dec. 1950

Iron Man of India, Unifier of Modern India

"The great ideal of geographical and economic unification of India, an ideal which for centuries remained a distant dream and which appeared as remote and as difficult of attainment even after the advent of Indian independence was consummated by the policy of integration..."

- Sardar Vallabhbhai Patel
in his address to the Constituent Assembly on 12 October 1949

"One of the greatest problems which India faces today is to rehabilitate its rural areas. It is largely from that point of view that we have set ourselves to the task of achieving a rural University (in Vallabh Vidyanagar) with a rural bias based on the principles of co-operation, self-help and self-sufficiency. The task is one before which much stouter hearts may quail, but thanks to the public spirit shown by the selfless band of workers, we are gradually progressing towards achieving success in this great experiment... *Gujarat has the unique distinction of having attempted to work Gandhiji's constructive ideas in a manner in which no other part of India has done. It is, therefore, fitting that these ideals should have found their exponents and enthusiasts there, who have turned a land infested by dacoits and robbers into a seat of a great experiment (which is Vallabh Vidyanagar today)."*

- Sardar Vallabhbhai Patel
15 June 1948

Education without character is of no value. We must be intent on producing citizens of free India, but not helpless ones loitering for jobs.

- Sardar Vallabhbhai Patel
