

1. Classrooms

- Spacious, well-ventilated classrooms designed for a comfortable learning experience.
- Equipped with advanced audio-visual aids like projectors and boards for interactive teaching.

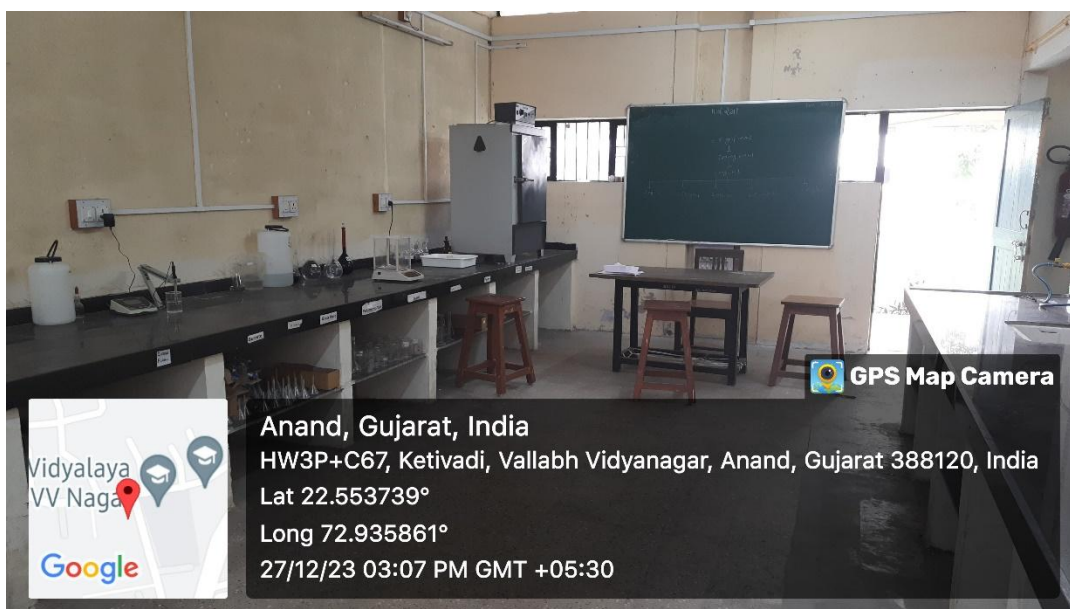

2. Computer Laboratory

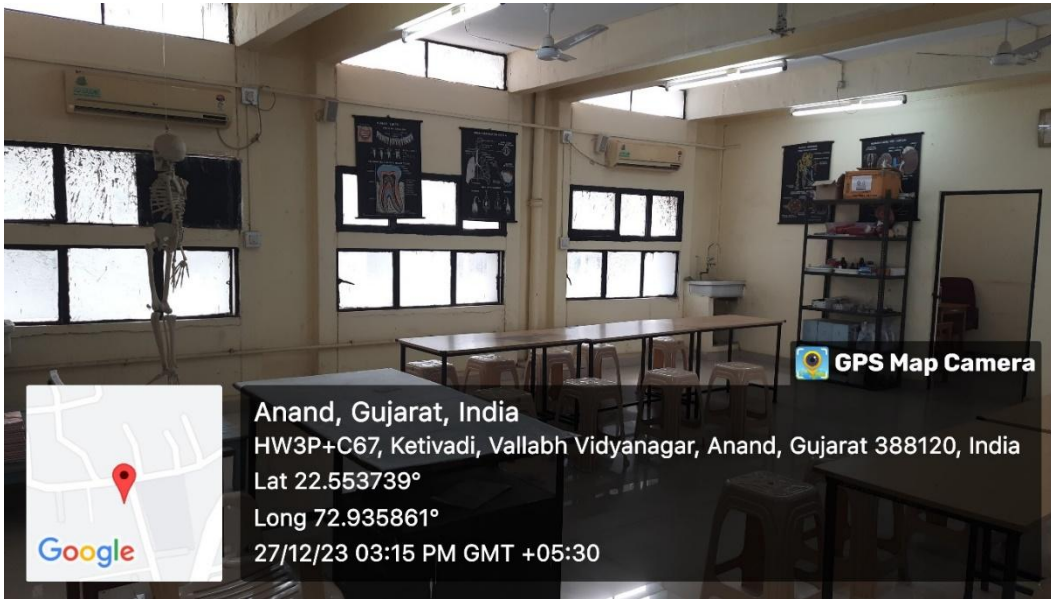

- A modern computer lab with high-speed internet connectivity.
- Fully equipped with the latest software and tools for pharmaceutical research and learning.

3. Pharmaceutical Laboratories

- Laboratories catering to different branches of pharmacy such as:
 - Pharmaceutics
 - Pharmacology
 - Pharmaceutical Chemistry
 - Pharmacognosy
- Equipped with sophisticated instruments to carry out experiments and practical training.

4. Sophisticated Instrument Laboratory

- Houses advanced equipment for research and practical training, including:
 - HPLC (High-Performance Liquid Chromatography)
 - HPTLC (High-Performance Thin Layer Chromatography)
 - UV-Visible Spectrophotometer
 - FT-IR (Fourier Transform Infrared Spectroscopy)
- Provides hands-on training in the use of modern pharmaceutical tools and machinery.

5. Machine Room

Equipped with lab-scale manufacturing equipment

- Tablet Compression Machine
- Rapid Mixer Granulator
- Double Cone Blender
- Pan Coating Machine
- Fluidized Bed Dryer

Sophisticated Processing Equipments

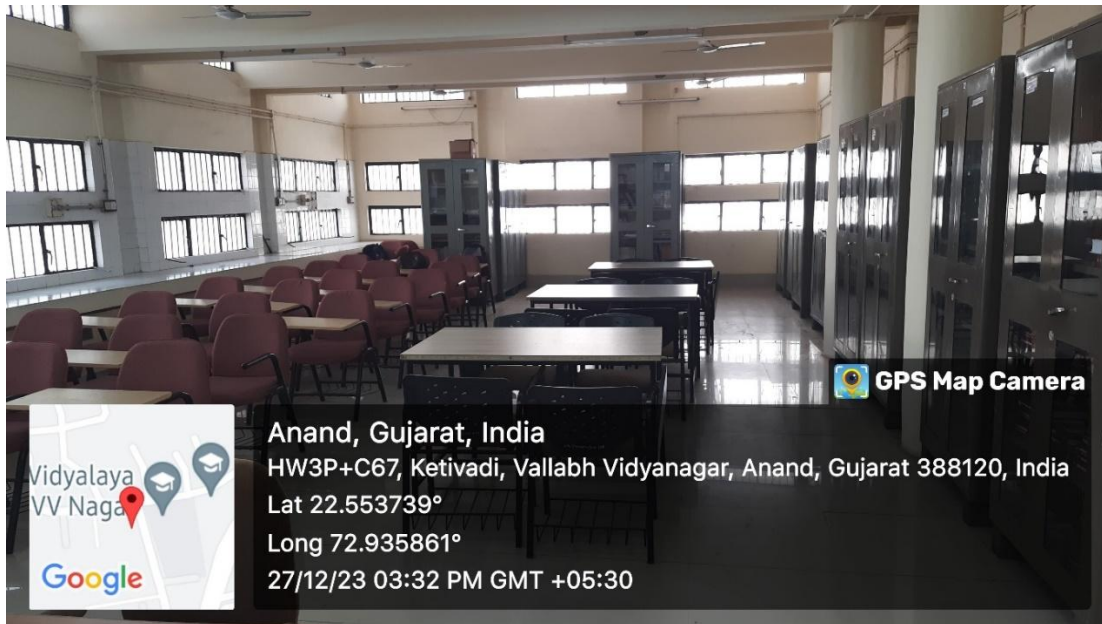

- Spray Dryer
- Probe Sonicator
- Lyophilizer
- Cooling Centrifuge
- Orbial Shaker

6. Library

- A well-stocked library with an extensive collection of textbooks, journals, and reference materials.
- Digital library access with e-books, scientific journals, and online databases.
- Comfortable reading spaces and individual study cubicles for focused learning.

7. Amenities

- A dedicated space for female students to rest.
- Equipped with comfortable seating, lockers, purified drinking water facility and sanitary pad wending machine and disposal unit.
- Ensures privacy and a safe environment for female students.

8. University Central Facilities

- University Canteen
- Bhaikaka Library (University Library Facility)
- Health Centre
- Scholarship Cell
- Sports Complex
- Swimming Pool and Gymnasium
- Community Science Centre
- Museum
- Radio Station
- University Employment Bureau
- Career Development Centre
- Student Start-up and Innovation Program (SSIP)

Sports Facilities

Indoor-Outdoor Games facilities are available at Yugpurush Vivekanand Sports Complex. The University has its own playground of 15 Acres land. The following facilities are available in this playground.

There are 3 Separate Hall Within this multiple Sports Complex. Badminton hall having the facilities of 2 Badminton Court of International Standard.

Table Tennis hall having the facilities of 3 Table Tennis arena and a multiple hall having the facilities of Playing Basketball, Volleyball, Handball, Kabaddi, Kho-Kho, Judo, Wrestling of International Standard. This hall can also be used as shooting range for Rifle Shooting.

University Swimming Pool and Gymnasium

At Sardar Patel Maidan, Bakrol in the East Corner, a well-architected building at Sardar Patel University Swimming Pool and Gymnasium. The building is surrounded with lush green plants and well-maintained garden. The Swimming Pool building was inaugurated on January 23, 2021. The newly constructed Swimming Pool matches with Olympic and International standards and has seating capacity of more than 200 audience. The shallow area of pool is 4.0 feet deep while the deep area of pool is 8.0 feet deep. Swimming pool has large and spacious 'Change Room' and Shower Area' separately for boys and girls. It has a large capacity water filtration plant and pumping station for regular cleaning of pool water.
