TEACHING WITH FUN
-
There should be proper overview of course before commencing semester so that students can have study plan accordingly. Second is there should be some extra curricular activities or course like grooming, self development etc. so that students can have proper overview about corporate sector.
You can improve your infrastructure and increase the time of internship because it is difficult to find internship just for 6-8 weeks

Expected more depth and detailed learning
Need to reduce the unnecessary pressure of daily homework and assignment writing.

Dear Sir,

Sub: Action taken Report 2023-24.

Ref.: Your Letter No: IQAC/2024-25/706, Dt.30/07/2024

Based on the feedback from students following steps were taken:

1. Feedback mechanism for curriculum improvement.: After taking feedback from students, alumni & visiting faculty from industry were consulted for incorporating changes in the existing content of all the subjects.
2. Further, emphasis was given on improving all the four components of communication skills by inviting experts from industry. participation in group discussion and mock interviews.
3. In the beginning of each semester, course outline with session plan is provided to students.
4. All the faculty members were instructed to provide feedback to students within 15 days of writing the exam/assignments.
5. Students were motivated to understand the importance of concept and also language proficiency.
6. Instructions were given to all the faculty members to focus more on experiential learning by using management games and live projects.

Thanking you,

Yours Sincerely,

Dr. Darshana R. Dave
